FEE SCHEDULE A – No Planning

This Fee Schedule applies ONLY to lots in an existing DEP approved subdivision, or lots created prior to 6-10-89, on which this will be the first & only sewage generating structure. If it is discovered that subdivision planning must be completed for your lot, then this Fee Schedule does NOT apply.

Applicant pays \$1,100.00 deposit to the Township.

Fees are deducted from that deposit as follows:

*Site evaluation (in advance of pits being dug or on-site with backhoe)	\$100.00
*Pit evaluation (1 trip to site to evaluate 1, 2, 3, or 4 pits)	\$200.00
*Perc test (1 trip to site to conduct ONE test)	\$200.00
*Alternate perc test required	\$200.00
*Permit application (issued OR denied) and Design review (1 review)	\$250.00
*Final inspections (1, 2 or 3 trips to site to conduct installation inspections)	\$150.00
TOTAL	\$1,100.00

The above fees are the ONLY fees included in the initial deposit. If you wish to withdraw the application, you will be refunded the appropriate amount for any testing which was not completed. The \$1,100.00 application fee is NON-REFUNDABLE. This is no refund due for evaluating less than 4 pits in one trip. There is no refund due if applicant has less than 3 inspections of system installation done.

The following expenses are not included in the initial deposit & must be paid prior to receiving your permit:

*Extra pit evaluations	\$50.00 (each pit after the 4 th)
*Extra perc test	\$200.00 (each test after the 1 st)
*Design review	\$25.00 (each review after the 1 st)
*Final inspections	\$25.00 (each trip to site after the 3 rd)
*Missed appointments or site improperly prepared so that proper tests cannot be conducted	\$50.00 per trip to site
*Meeting with applicants after business hours to review paperwork or consultation	\$50.00

All checks for any additional work must be made to the Township.

FEE SCHEDULE B – Subdivision Planning

This Fee Schedule applies to all lots where subdivision planning will be required prior to permit.

Applicant or developer pays deposit of \$1,250.00 PER PROPOSED LOT to the Township PRIOR to meeting with SEO.

Fees are deducted from that deposit as follows:

*Site evaluation (in advance of pits being dug or on-site with backhoe)	\$100.00
*Pit evaluation (1 st 4 pits per lot are included, 1 trip to site per lot is included)	\$350.00
*Perc test (1 trip to site to conduct ONE test)	\$350.00
*Alternate perc test required	\$350.00
*Subdivision review (1 review, less than 10 lots)	\$100.00
TOTAL	\$1,250.00

The above fees are the ONLY fees included in the initial deposit. If you wish to withdraw at any time during the testing procedure, the appropriate unbilled amount will be refunded to you. There is no refund for evaluation of less than 4 pits per lot.

Additional fees not covered in initial deposit:

*Additional pit evaluations	\$100.00 (each pit after the 4 th)
*Additional or alternate site perc tests	\$350.00 each
*Additional perc at same time as 1 st for purposes of planning exemption	\$50.00
*Missed appointments or sites improperly prepared	\$50.00
*Subdivision review (more than 10 lots)	\$100.00

After the initial testing is completed, subdivision planning must then be done. Subdivision approval must be granted by the SEO, the Township, the Planning Commission(s) & the regional DEP office.

After the subdivision plan has been approved by all parties, permit applications may be accepted for a lot, or lots, within the subdivision. A plot plan & suitable design of the approved system must be submitted for each lot prior to receiving the permit. You will be provided with all necessary information to complete these steps.

Fees incurred after subdivision approval:

*Application fee (issued OR denied) and design review (1 review)	\$250.00
*Final inspection fees (1, 2 or 3 trips)	\$150.00
TOTAL	\$400.00
