

FIREWORKS PERMIT APPLICATION

This application must be received by the township at least 15 days in advance of the proposed display.

Displays lasting more than one hour or later than 11:00 P.M. must have approval of the Board of Supervisors. No permits will be issued if building density will not permit the fireworks to be exploded without debris falling on buildings.

Description of Fireworks to be Displayed:

The following must be attached to this application for a permit to be issued:

- Sketch or drawing showing the location of building, structures, utilities and elevations where the fireworks are to be initiated and where spectators will be maintained.
- A copy of the notice to Adams Area FD, Callery FD, and Quality EMS.
- A bond conditioned for the payment of all damages (\$500.00 minimum)
- A \$150.00 application fee (cash and/or check)

The township will be held harmless and absolved from any damage to life or property. The applicant will comply with all state laws governing the transportation and discharge of fireworks. All facts in the application are true and correct to the best of my knowledge, information and belief. I agree to pay for the expense of the Township advertising the granting of a fireworks permit once for two weeks prior to the display and agree that such notice will be posted at the Township Municipal Building.
